SUPER SAM

FADE IN:

INT. SAM'S HOUSE-DAY

Sam (28) a man of herculean stature walks past a trophy case full of wrestling and football trophies, the glass is covered in a thin layer of dust. Sam's hands shake as he adjusts his tie in a hallway mirror.

SAM

Evil doers prepare...

Sam grabs a head shot from a large pile, he passes a nearly empty room with a vacant hospital bed, adjusts his suit again in the mirror and takes a deep breath.

SAM (CONT'D)

For justice, swift and fair.

Sam opens the front door, stumbles slightly as he exits and SLAMS the door shut.

EXT. OFFICE BUILDING-DAY

Sam stares up at large white building with gigantic letters that read "POWERS STUDIOS" he takes a pained deep BREATH and opens the glass door to the lobby.

INT. DON'S OFFICE-DAY

Don (43) wearing a cheap gray suit examines Sam's head shot and resume. Sam sits quietly and smiles back at Don. Don's office is filled with framed superhero posters, signed pictures and brightly colored toys.

DON

You certainly have the build to play Wonderman Sam, but do you have the mind frame?

SAM

With all do respect sir, I've been a super-fan since my mom bought me my first Wonderman comic book for my fifth birthday.

Don sits up in his chair in disbelief.

DON
Is that so?

SAM
(nervous)
Yes sir. I had a room full of
comics, shirts, movies, and all the
toys. Wonderman has been my hero
since kindergarten.

DON
That makes me happy Sam, it seem
you are more than fit to play
Wonderman for us. But before I let
you don that cape and cowl, you
must answer me this...

Don spins in the chair a few times as Sam watches in slight
confusion.

SAM
I'm ready when you are.

Don stops dead in his tracks and stares Sam right in the eye.

DON
Who must Wonderman defeat in issue
four sixteen in order to reclaim
the scepter of justice?

Sam laughs, adjusts himself in his seat, leans forward
towards Don's desk, looking him directly in the eye.

SAM
Himself. Captain Chaos makes a
clone of Wonderman and he must
defeat himself to reclaim the
scepter of justice. Which he
obviously does.

Don quickly stands up and extends his hand towards Sam. Sam
flinches a bit before reaching his hand out.

DON
Welcome to the Powers Studio Park
family Sam, proud to have you
aboard!

Sam sheepishly shakes Don's hand and looks confused.

SAM

Park? I thought this was an acting job.

DON

It is. In our amusement park.

SAM

(Deflated)

Oh-

DON

It may not seem like much now, but this is the best foot in the door any actor can have for this studio. You know Brad Tomlinson started at the park playing Wonderman, then he went on to star in four Wonderman movies.

SAM

Brad Tomlinson worked in the park? Wow.

Don walks toward a locked door in the back corner of his office, opens it and holds out the scepter of Justice. Sam's face lights up. Sam bumps into his chair as he approaches Don.

DON

Before I give you this, just remember when you walk through those park gates, you ARE Wonderman. Sam Wallace stops at the parking lot.

SAM

Yes sir, I will not let you down.

DON

Don't let down the five year old Sam either.

Sam smiles and nods, holding back tears as Don hands him the scepter. Sam runs his hand down the length of the scepter, clenches it tightly in his right hand and raises it toward the ceiling.

SAM

You can count on me sir.

DON

Great! Monday morning at eight, report to park security.

Sam nods his head and BOUNDS across the office with purpose and out the door.

INT. SECURITY OFFICE-DAY

Sam is sitting quietly in a spotless room with framed posters of Wonderman movies covering the walls. Barry (39) portly man eating a doughnut at a desk is staring at Sam. Sam uncomfortably squirms in his chair and avoids eye contact.

BARRY

Hey! You're Sam Wallace aren't you?

SAM

Yes sir.

Barry jumps out of his seat and waddles over to Sam and looks him up and down.

BARRY

I can't believe The Wall is in my security booth!

Barry unbuttons the shirt of his uniform to reveal a USC Trojans T-shirt.

BARRY (CONT'D)

I'm a huge fan! You were the best defensive lineman in Trojans history man.

Sam proudly stands up, towering over Barry.

SAM

Wow. Thank you so much, it's great to meet a fan after all these years.

BARRY

It's an honor to meet you, I'm Barry.

Barry reaches his hand out and Sam shakes it enthusiastically.

BARRY (CONT'D)

Weren't you on the Raiders for a while? What happened?

SAM

Ummm...

EDDIE (O.S.)
Get back to work Barry.

Eddie (41) a tall well-built man with a military haircut walks out of a back room and approaches Sam. Sam is taken back when he sees Eddie.

SAM
Officer Stone, what are you doing here?

EDDIE
I left the force, they offered me more money here. I'm the head of park security.

Sam shakes Eddie's hand and the two pull towards one another and exchange hard slaps each other's backs.

SAM
It's great to see you again sir.

EDDIE
Likewise. I hear you're our new Wonderman.

SAM
I am!

Eddie looks Sam up and down and rolls his eyes, shakes his head and snickers a bit. Sam's smile fades and his posture slumps slightly.

EDDIE
Follow me Wonderman, we'll get you to the locker room so you can try on your little costume.

INT. LOCKER ROOM-DAY

Eddie hands Sam a scrap of paper and points to the back of the room.

EDDIE
Locker one six two, good luck Sammy.

Sam navigates his way through a labyrinth of lockers and ACTORS getting dressed as their characters. Bright colors stretch and cover frail bodies and transform all of them into mighty heroes. Sam stops at a locker and reads the paper.

SAM
One, six, two. Here it is.

Sam manipulates the locker dial and opens it on the third try. He slowly opens the door and examines the contents. An immeasurable smile stretches across his face.

FLASHBACK

INT. SAM'S HOUSE-DAY

Sam (5) runs around his living room, donning a bright red cape, a blue mask, blue tights, red boots, blue shirt with a large red "W" on the front.

Sam's MOTHER (35) a tall brunette dressed as Captain Chaos; eye patch, wild hair and a black shirt with two small "C"s on the chest chases Sam around the house.

SAM'S MOTHER
You can't escape me Wonderman!

SAM
You'll never catch me Captain
Chaos!

END OF FLASHBACK

INT. LOCKER ROOM-DAY

Sam is wearing the Wonderman costume, standing tall and chest puffed out.

TODD (O.S.)
Looking good Wonderman.

Sam snaps out of his spell as Todd (29) a short stout man wearing tights approaches.

SAM
Thank you.

Todd reaches his hand out and Sam shakes it.

TODD
I'm Todd, I play Wonderboy, you're
trusty sidekick.

Todd winks and laughs.

SAM
I'm Sam, Pleasure to meet you
Wonderboy.

TODD
Likewise. Hang on-

Todd jumps on the bench and addresses all the ACTORS in the locker room.

TODD (CONT'D)
Powers Studios players, welcome
your new Wonderman, this is Sam.

ACTORS
(All Together)
Hi Sam!

Sam chuckles and proudly waves to all the ACTORS.

SAM
Hi everyone.

Todd straights out Sam's mask and jumps off the bench.

EXT. POWERS STUDIO PARK-DAY

The park is full of massive rides, countless concession stands, games, bright colors and large masses of adults and children.

Jess (33) short, thin with red hair and glasses glares at Eddie while he takes a sip out of a flask and stuffs it into his back pocket.

EDDIE
Is there a problem?

JESS
Should you be doing that at work?

EDDIE
Who is going to stop me?

Eddie shoots Jess a dirty look and she takes a step back.

Bobby (5) is in the distance playing one of those games where you squirt water into a clown's mouth to blow up a balloon. POP. The balloon BURSTS and a man hands Bobby a large Wonderman plush toy.

BOBBY
I won! I won! Thank you sir.

Bobby's wearing an unbuttoned blue flannel shirt with a Wonderman T-shirt underneath. The flannel FLAPS in the wind behind him like a cape as he sprints toward Jess.

BOBBY (CONT'D)
Mom! Look, I won!

Bobby holds up a stuffed toy almost as tall as him.

JESS
That's amazing sweetie! Look at the size of it. Looks like you're having a pretty good birthday.

BOBBY
I am! Thanks mom!

JESS
Don't forget to thank Eddie for giving us the tickets.

Bobby sheepishly approaches Eddie.

BOBBY
Thanks Eddie.

EDDIE
(Unenthusiastic)
You're welcome little man.

Eddie takes another sip from his flask. Bobby hugs the Wonderman plush and smiles as Wonderman rounds the corner. Bobby spots him and his face lights up.

BOBBY
Mom! Look!

Bobby points to Wonderman and starts to jump up and down.

JESS
Do you want to go meet him?

Bobby doesn't respond, he just sprints towards Wonderman screaming.

BOBBY
Wonderman! Wonderman!

Sam spots Bobby running towards and chuckles. Bobby lunges towards Sam and hugs his leg. Sam bends down to greet Bobby.

SAM
Hey buddy! What's your name?

BOBBY

Bobby! And you're Wonderman!

SAM

I am, it's great to meet you Bobby.

Sam extends his hand to shake Bobby's. Bobby SHOOTs his hand out fast, lifting the sleeve of his flannel in the process. Sam notices bruises covering his small arm.

FLASHBACK

INT. SAM'S HOUSE-DAY

Sam (5) in his baggy Wonderman suit runs into the living room where a man sits on the couch. Sam trips and knocks over a lamp, while on the ground a large hand GRABS his arm hard, Sam is petrified.

END OF FLASHBACK

SAM

(Nervous)

What happened buddy? Did you get hurt?

Bobby looks back at Eddie who is slowly approaching with Jess.

BOBBY

Umm, I fell during recess.

Sam looks concerned.

SAM

Well I hope you're okay. Would you like a picture?

BOBBY

Yes!

Eddie and Jess approach, Eddie nods at Sam and Sam nods back. Jess pulls out her phone to take a picture. Sam poses with his arm around Bobby. Bobby holds the Wonderman plush next to his and Sam's face and grins ear to ear.

JESS

Thank you Wonderman.

BOBBY

Thanks Wonderman!

Sam stands up and waves at Bobby as he walks away with Jess.

SAM

Anytime!

EDDIE

Thanks for that Sammy, my girlfriend's kid is a huge Wonderman fan. I trip over a toy with your god damn face on it almost every day.

SAM

No problem at all.

Eddie pulls out the flask and takes a big sip and offers it to Sam. Sam shakes his head slowly.

SAM (CONT'D)

No thank you.

Eddie takes one more sip.

EDDIE

I gotta fucking walk them out. Costume fits you nice Sammy. You're the bell of the ball here at Powers Park.

Eddie laughs as he walks away, Sam deflates a bit then stands tall as a group of KIDS approach him.

KIDS

(Screaming)

Wonderman!

Sam smiles and waves at them with the scepter of justice. Todd walks up to Sam and nudges him, snapping him out of his trance.

TODD

Better not let Eddie see you checking out his girlfriend, that dude is unhinged.

SAM

I wasn't checking her-

Sam slowly turns his head to face Todd, Jess and Bobby disappear into the distance.

SAM (CONT'D)

What do you mean he's unhinged?

TODD

Oh dude, he got kicked off the police force for almost beating a suspect to death. The suspect sued and lost but Eddie got canned and they hired him here because he grew up with Don. Don let's him get away with everything, he's drunk half the time at work. Such an asshole.

SAM

He saved my life when I was in college.

TODD

(Shocked)
He what?!

SAM

It's a long story.

Sam's posture becomes more lazy and his face drains of its color.

TODD

Good, tell me tonight at the bar. It's tradition for the cast to take out the new actors on their first day, welcome them to the family.

SAM

I'm not much of a drinker.

TODD

That's okay, I'll help ya out. Just take the first sip and I'll finish it. I'll even let you drive me home!

Todd reaches up and puts his arm around Sam. Sam smiles and chuckles, his posture straightens out and they head towards the locker room.

INT. BAR-NIGHT

Todd walks to the booth with two beers in one hand and a shot glass in the other. He places one beer in front of Sam and plops down into his seat, slightly inebriated.

TODD

One beer for you Wonderman and one for Wonderboy.

SAM

Thanks buddy. Don't forget your shot.

Todd points to the shot glass and smiles.

TODD

This is my beer's sidekick. Like me! I'm YOUR sidekick!

Todd raises the shot glass, Sam CLINKS the neck of his beer bottle on the shot glass.

SAM

To sidekicks.

TODD

I'll drink to that!

Todd SLAMS the shot down his gullet.

TODD (CONT'D)

Story time Wonderman, how did that booze bag Eddie save your large life?

SAM

In college I was driving drunk and got into an accident. I hit an electrical box on the side of the road and my car caught on fire.

TODD

Holy shit!

SAM

Officer Stone was driving by, he pulled my unconscious body out of the car. He saw who I was and instead of arresting me, he drove me to the hospital. He said he was a fan and couldn't bear to see me behind bars.

Todd takes Sam's beer away from him and takes a big sip.

TODD

What do you mean he was a fan?

SAM

USC football fan.

TODD

Holy friggin' shit. You're the Wall! I can't believe I didn't recognize you!

SAM

USC fan?

TODD

Yes! My dad went there, so I've been a fan since I was a kid. I can't believe I'm having a drink with the Wall. My dad is going to freak out when I tell him.

Todd lunges over to Sam and give him a big hug. Sam chuckles and hugs him back.

TODD (CONT'D)

I thought the Raiders drafted you straight out of college?

SAM

They did, I played one season but my mom got sick. Alzheimer's.

TODD

Oh my god, I'm so sorry.

SAM

Yea, I went back home to help take care of her and be with her in her last days. My asshole step dad took off when she got sick.

TODD

That fucking prick.

SAM

You can say that again. She held on for three years, tough old bird. I tried to go back to football after she passed but I missed my window.

Sam takes a sip of his drink.

SAM (CONT'D)

I used my signing bonus to pay for her medical bills and pay off her mortgage. Then fell into acting.

Sam shrugs.

TODD

You lionhearted gentle giant. Come here, it's hug time again.

Sam leans in and Todd knocks over his beer while slapping his arms around Sam.

SAM

You spilled your beer.

TODD

I don't care, the only thing that matters in the world right now is this hug.

Sam smiles.

EXT. POWERS STUDIO PARK-DAY

Sam stands in front of a group of kids, signing autograph books and posing for pictures. Sam notices Jess and Eddie arguing in the distance but Bobby isn't with them.

Eddie looks angry and points his finger aggressively at Jess.

Sam scans the area looking for Bobby and spots him climbing a three story staircase that leads to the biggest roller coaster in the park.

SAM

Bobby! Don't!

Eddie and Jess look over at Sam. Sam points up at Bobby standing on the second rung of the hand railing and leaning over with the Wonderman plush in hand.

BOBBY

(Yelling down to Sam)
Hi Wonderman!

Jess starts to run up the stairs toward Bobby, Eddie shakes his head and calls someone on his walkie talkie.

Bobby loses his balance and falls over the third story railing.

JESS

NO!

Sam sprints full clip toward Bobby as he falls. Bobby SCREAMS. Eddie hesitates then moves towards Bobby's falling body but he's too slow. Sam FLIES toward Bobby, opens his large arms and catches Bobby before he can hit the ground.

SAM
Gotcha buddy.

Bobby is hysterical and wraps his arms around Sam and cries.

BOBBY
You saved me Wonderman.

Eddie finally gets to the scene and reaches for Bobby but Sam turns his body to shield Bobby from Eddie. Eddie is confused then visibly angry. Jess runs up wraps her arms around Bobby and Sam. Sam gently hands Bobby to Jess.

JESS
Honey, are you okay?!

BOBBY
Yes mommy.

Jess starts to cry and hugs Sam again.

JESS
Thank you so much, you saved his
life.

SAM
Just doing my job ma'am.

Sam grabs the Wonderman plush that hit the ground where Bobby fell and hands it to Bobby.

BOBBY
Thank you Wonderman.

SAM
I'm just glad you're okay buddy.

Eddie glares at Sam then reaches his hand out.

EDDIE
Yea, Thanks Wonderman.

Sam shoots Eddie a look back and holds eye contact while he shakes his hand.

EDDIE (CONT'D)
I need to fill out an accident
report in the office.

Eddie places his hand on Jess' back and kisses her on the cheek.

EDDIE (CONT'D)
Glad everyone is okay.

Eddie walks away while talking inaudibly into his walkie talkie.

JESS
Hey Wonderman.

Sam turns around to face Jess.

SAM
Yes ma'am?

JESS
You like french toast?

Sam gives her a confused look and a half smile.

SAM
Yes?

Jess puts down Bobby but continues to hold his hand.

JESS
Come by my diner tonight, I owe you
a meal for what you did today.

Sam smiles.

SAM
I've never been one to turn down a
free meal.

JESS
BeeBee's diner, come anytime after
nine.

SAM
I'll see you there.

Sam blushes and walks away.

INT. SAM'S HOUSE-NIGHT

Sam's hands shake as he buttons up his shirt in the hallway mirror.

Sam takes a deep breath and looks at the Wonderman suit hanging on a hook next to the mirror.

Sam buttons his dress shirt over the Wonderman insignia with steady hands and a smirk on his face.

INT. BEEBEE'S DINER-NIGHT

Sam enters the diner and scans the room looking for Jess. The diner is fairly empty. A couple older men at the counter and a table of three loud drunk guys. Sam spots Jess walking with a tray of food and approaches her.

SAM

Hi. Jess, I'm Sam.

Jess gives Sam a puzzled look while still holding the trays of food.

SAM (CONT'D)

(whispers)

Wonderman...

JESS

Oh my god, of course! Please sit down.

Jess gestures her head toward the booth in the corner. Sam nods and sits down as Jess drops off her trays of food to the drunk guys across the room. Jess returns and sits across from Sam.

JESS (CONT'D)

I can't begin to thank you for what you did. You saved my son, I can never repay you.

SAM

If you add a meat lovers omelette to that french toast order we can call it even.

Both chuckle.

JESS

Of course Wonderman, you need all the energy you can get to fight evil.

Jess winks and walks away, Sam blushes and takes off his jacket nervously.

INT. EDDIE & JESS'S HOUSE-NIGHT

Bobby is in his room playing with his Wonderman plush while jumping on the bed.

Eddie pours a glass of whisky in the kitchen.

Bobby swings Wonderman around, hitting a lamp and knocking to the ground. The lamp CRASHES and Eddie storms into the room.

EDDIE

What the hell are you doing in here?

BOBBY

I'm sorry sir, I accidently hit the lamp.

Eddie approaches Bobby slowly, Bobby recoils.

EDDIE

You know you got me in a lot of trouble today pulling that stunt at the park.

Eddie grabs Bobby's arm hard.

NT. DINER-NIGHT

Sam wipes the last bits of egg off his plate with his last bite of toast. Jess sits down across from him.

JESS

Might want to change your name to Hungryman.

SAM

Doesn't have the same ring to it.

Both laugh.

JESS

I'm assuming you liked the food.

SAM

It was WONDER-ful.

JESS

Wow, that was bad.

SAM

Almost as bad as Hungryman.

Jess laughs and hides her head in her arms.

JESS

Fair enough.

INT. EDDIE'S HOUSE-NIGHT

Bobby is crying in his room while clutching the Wonderman plush. Bobby wipes his tears and crawls out his window and starts to run.

INT. POWERS STUDIO PARK-NIGHT

The park is nearly empty as the last patrons file out the gates. Barry is ushering people towards the exit as Bobby runs past him.

BARRY

Bobby?

Barry grabs his phone and dials Eddie.

Intercut between Barry and Eddie.

BARRY (CONT'D)

Eddie!

EDDIE

What's up Barry, is there a problem?

BARRY

Yea, Bobby just ran into the park.

EDDIE

What?!

Eddie storms into Bobby's room and he's gone, he SLAMS the door.

EDDIE (CONT'D)

I'm on my way.

EXT. POWERS STUDIO PARK-NIGHT

Bobby is running through the park and screaming.

BOBBY

Wonderman! Help!

Barry is jogging sluggishly in an attempt to chase Bobby.

Bobby turns a corner and spots Todd.

BOBBY (CONT'D)

Wonderboy! Where is Wonderman?

Todd bends down to talk to Bobby.

TODD
Wonderman is on a mission, are you
okay buddy?

BOBBY
I need his help, I'm in trouble.

Todd grabs Bobby's hand and hides with him behind a food cart
as Barry runs past. Todd pulls out his phone.

INT. BEEBEE'S DINER-NIGHT

Sam is eating a piece of apple pie while Jess smiles at him.
Sam's phone rings, he looks at it and answers it.

Intercut between Sam and Todd.

SAM
Hey partner, what's up?

TODD
Hello Wonderman, this is your
sidekick. Your new friend Bobby is
at the park and he says he's in
trouble.

Sam's face goes white.

SAM
He's at the park alone?

TODD
Yea. Something is wrong, he is
terrified and keeps asking for
Wonderman.

Sam touches the Wonderman insignia through his shirt.

SAM
I'll be right there.

Sam hangs up.

JESS
Is everything okay?

SAM
That was Todd, he said Bobby is at
the park alone.

JESS

WHAT!?

EXT. POWERS STUDIO PARK-NIGHT

Bobby is clutching the Wonderman plush in one hand and squeezing Todd's hand with the other.

Eddie and Barry are walking around the park with flashlights looking for Bobby.

Sam and Jess rush through the gates and search the streets of the park. Jess spots Eddie and YELLS.

JESS

EDDIE!

Sam runs into a nearby bathroom before Eddie can spot him. Jess looks around confused.

Sam nervously pokes his head out of the door and spots Todd and Bobby hiding in the distance. Sam ducks back into the bathroom.

INT. BATHROOM-NIGHT

Sam feverishly pulls off his street clothes to reveal the Wonderman costume underneath. He pulls the mask out of his coat pocket and stretches it over his head.

SAM

Evil doers prepare...

Sam reaches down and removes the scepter of justice which is strapped to his leg. He holds it next to his face in the mirror.

SAM (CONT'D)

For justice, swift and fair.

Sam bounds out of the bathroom towards Bobby and Todd. Bobby spots Sam and SCREAMS.

BOBBY

Wonderman!

Bobby runs up to Sam and hugs him, wiping tears from his face with his sleeve.

Eddie turns and sees Sam with Bobby and runs towards them. He pushes Jess down in the process. Barry follows suit and runs at Sam.

SAM
Are you okay buddy?

Sam sees Bobby's arm is bleeding and takes a look at it.
Bobby starts to cry.

BOBBY
You have to save me from the bad
guy. Please Wonderman.

FLASHBACK

INT. SAM'S HOUSE-NIGHT

Sam (5) in his Wonderman costume is beginning to cry as a large man grips his arm. Sam's mother dressed as Captain Chaos bounds into the room, cocks her arm back and SMASHES the man in the face. She drops to her knees and hugs Sam.

SAM
Mom! You saved me!

SAM'S MOTHER
That's my job.

Sam hugs his mother with all his might.

END OF FLASHBACK

EXT. POWERS STUDIO PARK-NIGHT

Sam stands up tall, chest puffed out, scepter in one hand and Bobby's hand in his other.

Eddie is furious but stops dead in his tracks in front of Sam.

EDDIE
Sam, hand Bobby over right this
second.

SAM
As long as I'm alive, you will
never go anywhere near this boy.
And the name is Wonderman.

Eddie lunges toward Bobby, Sam places his large hand on Eddie's chest pointing the scepter in his face.

SAM (CONT'D)
Not another inch.

Barry slowly reaches for the taser in the holster on his belt. He points it at Sam, before he can pull the trigger Todd CRACKS him in the side of the head with a right hook.

SAM (CONT'D)
Thanks partner.

TODD
It's my job sir.

Sam pulls his hand back from Eddie's chest. Jess comes to, gets off the ground and runs towards Bobby. She sees the blood, pulls up his sleeve and looks at his arm.

JESS
You BASTARD! This is the last time
you lay a hand on my son!

Sam turns around to stop Jess from running towards Eddie in a fit of rage.

SAM
No. Don't let Bobby see you like
this.

Jess is calmed by Sam's words and presence.

Eddie removes the night stick from his belt, cocks back and SMASHES it over Sam's head. Sam drops to his knees then to the ground.

JESS
Sam!

Jess drops to her knees to see if Sam is okay. Todd runs over, Eddie points the night stick at him and Todd stops dead in his tracks.

JESS (CONT'D)
Wonderboy, call 9-1-1.

Todd takes a few steps back and pulls out his phone.

Sam's eyes flutter and he spots Bobby clutching the Wonderman plush. Eddie bounds over Sam's body towards Jess and Bobby.

Sam reaches his arm out, grabs Eddie leg and YANKS him to the ground. Sam picks himself up off the ground.

Sam is towering over Eddie.

SAM
Jess, you and Bobby should wait for
the police in the security office.
(MORE)

SAM (CONT'D)

I don't want you guys to see this.
Wonderboy, make sure they're safe.

TODD

Yes sir.

Jess picks up Bobby, he drops his Wonderman plush as she runs towards the security office. Todd follows behind.

EDDIE

You ungrateful bastard, I saved
your fucking LIFE. I kept you out
of jail, you graduated because of
ME!

SAM

You're right, you saved my life.
But now it's my job to save his-

Sam points to Bobby in the distance.

Sam walks over to the Wonderman plush and picks it up. Eddie pulls out his taser and pulls the trigger. Sam reacts instantly and holds up the Wonderman plush in front of him. The probes hit the plush SPARKING and fizzling out.

Sam drops the plush, BOUNDS toward Eddie, cocks back his hammer of a fist and BASHES Eddie in the face, knocking him out cold.

INT. SAM'S HOUSE-DAY

SUPER

"Three months later"

Bobby is running around the house dressed as Wonderman while Jess is cooking french toast in the kitchen. Sam runs around the corner also dressed as Wonderman, chasing Bobby and laughing.

JESS

Breakfast is ready, my heroes.

SAM

Is that french toast I smell?

Sam walks up behind Jess, places his head on her shoulder and takes a deep breath.

SAM (CONT'D)

Mmmm my favorite.

Jess turns her head and kisses Sam.

JESS
MY favorite.

Bobby runs up to Sam and Jess and hugs their legs.

BOBBY
Gotcha!

Sam looks down at Bobby and smiles.

FADE OUT
