safe.

We need to stay at home and

Right now the players and staff are enjoying the extra time with our loved ones.

EXT. EMPTY STREET - DAY

PATRICE BERGERON stands on rollerblades and feverishly stick handles a puck on the cement.

PATRICE

But we're ready to get back to work.

EXT. BOSTON GARDEN - DAY

Camera zooms in towards the iconic Bobby Orr statue.

(V.O.)

We bet you're really missing hockey, and all sports in general.

DAVID KREJCI lays on a weight bench, pushing a large amount of weight off his chest.

DAVID

Imagine how we feel.

MONTAGE

TUUKKA RASK makes a huge dramatic glove save.

CHARLIE McAvoy lays down a massive open ice check.

DAVID PASTRNACK scores a goal followed by hats raining down on the ice.
